JULY 2, 1993

PAGE 1/1

MODELS AFFECTED

P-61, P-63 (11.1 / 12.7 DETROIT SERIES 60)

SUBJECT

CONTROL VALVE SPRING CHANGE

Pacbrake has changed the control valve return spring in the model P-61 and P-63 from a single green spring PN# P01518 to a double spring design. The new spring combination is colour coded blue for easy identification, the new part numbers are P60032 inner and P60033 outer.
