

CAUTION!

IMPORTANT INFORMATION

A previous printing error may lead to the wrong installation of tune up kit P#80010. This wrong application can lead to serious engine damage. This tune-up kit only fits the Pacbrake Model P80, as listed on the kit header. Please look carefully at the tag on the engine brake housing to be sure it matches the tune-up kit model number shown.

If in doubt, please call 800 663 0096.
